

Shunfeng International Clean Energy Limited

順風國際清潔能源有限公司

(Stock code: 1165.HK)

**RMB 20 billion Strategic Cooperation Agreement with
Industrial and Commercial Bank of China Limited**

(18 February, 2015, Hong Kong) Shunfeng International Clean Energy Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that on 12 February 2015, the Company and the Industrial and Commercial Bank of China Limited (“**ICBC**”) entered into a strategic cooperation agreement (the “**Strategic Cooperation Agreement**”). Pursuant to the Strategic Cooperation Agreement, ICBC intended to provide to the Group financial support of up to RMB20 billion for the development of solar power stations in the People's Republic of China (the “**PRC**”).

Pursuant to the Strategic Cooperation Agreement, it is valid for 5 years from the date of signing. The Company will establish a comprehensive strategic cooperative relationship with ICBC and the Strategic Cooperation Agreement is to support the Group's financial needs in the long-term development of the construction and operation of solar power stations in the PRC. At expiry, the Strategic Cooperation Agreement can be extended for a further five years upon mutual agreement. All the terms of the cooperative projects under the Strategic Cooperation Agreement are subject to the terms in the formal agreement between the parties.

Accordingly, shareholders of the Company and/or investors should note that the transactions contemplated under Strategic Cooperation Agreement may or may not materialize as described or at all, and should exercise caution when dealing in the shares of the Company.
